VISION

To emerge as a pioneer centre of research and technology imparting a greater contribution in "Nation-building" by inculcating the intellectual potential, moral character and professional ethics among the aspiring young engineers so as to fulfil the vision of India as a "Developed Nation".

MISSION

- To provide an atmosphere that facilitates personal commitment to the educational success of students in an environment that values diversity and community.
- To produce quality manpower equipped with excellent technical skills, human and social values, leadership, creativity and innovation for the sustainable growth and benefits of mankind.
- To inculcate entrepreneurial attitude and values amongst learners.

From the Principal's Desk

“Self -Belief and Hard Work will always earn you Success

It is my pleasure to welcome Fresher's to the portal of Government College of Engineering & Technology (GCET) Jammu, an institution of Higher Education Department J&K UT to empower students with sound knowledge, wisdom, experience and training both at the academic level of Engineering and in the highly competitive global industrial market. It started its voyage in 1994 with a vision of navigating the intricate athwart ocean of science and engineering via the power of the human mind, body, and soul. It's Journey over nearly the past three decades has witnessed strong blend of state-of-the-art infrastructure and intricately intertwined human resource committed to provide professional education with thrust on creativity and innovation. The motivating environment in the institution stimulate the students for knowledge assimilation, hands-on experience through research and training, human values, sense of social responsibility, and concern for social commitment.

The special emphasis is on Outcome Based Education (OBE) and Experiential Learning. The academic activities concentrate on helping the students to be proficient in excellent theoretical knowledge base, advanced technical knowledge,

inventiveness, accuracy and precision, resilience, enthusiasm and critical reasoning etc. We constantly review, upgrade and update the set up to ensure that students gain thinking skills, analytical frameworks, entrepreneurial skills, Life skills, interpersonal and communication skills during their four years stay in the institute.

GCET has established a strong Industry links with over 20 companies like Pi-Infocomm Pvt. Ltd., BEBO Technologies (BTES) Pvt. Ltd, YOY Capital Pvt. Ltd, BYJUS, Pentagon Space, Pie-Infocomm Pvt. Ltd, Alpha IT systems Pvt. Ltd. Etc for training and internship to the students.

There is also an ample of scope in co-curricular and extracurricular activities at GCET wherein the students are encouraged to showcase their talents. The institution verify that the students prove themselves to be not only well qualified engineers but also very responsible and ideal citizens of our country. The University results and placement speaks about our excellence with many of our students bringing laurel to the college by getting highest ranking in university exams and huge number of students are placed in Administrative services, national & multinational companies.

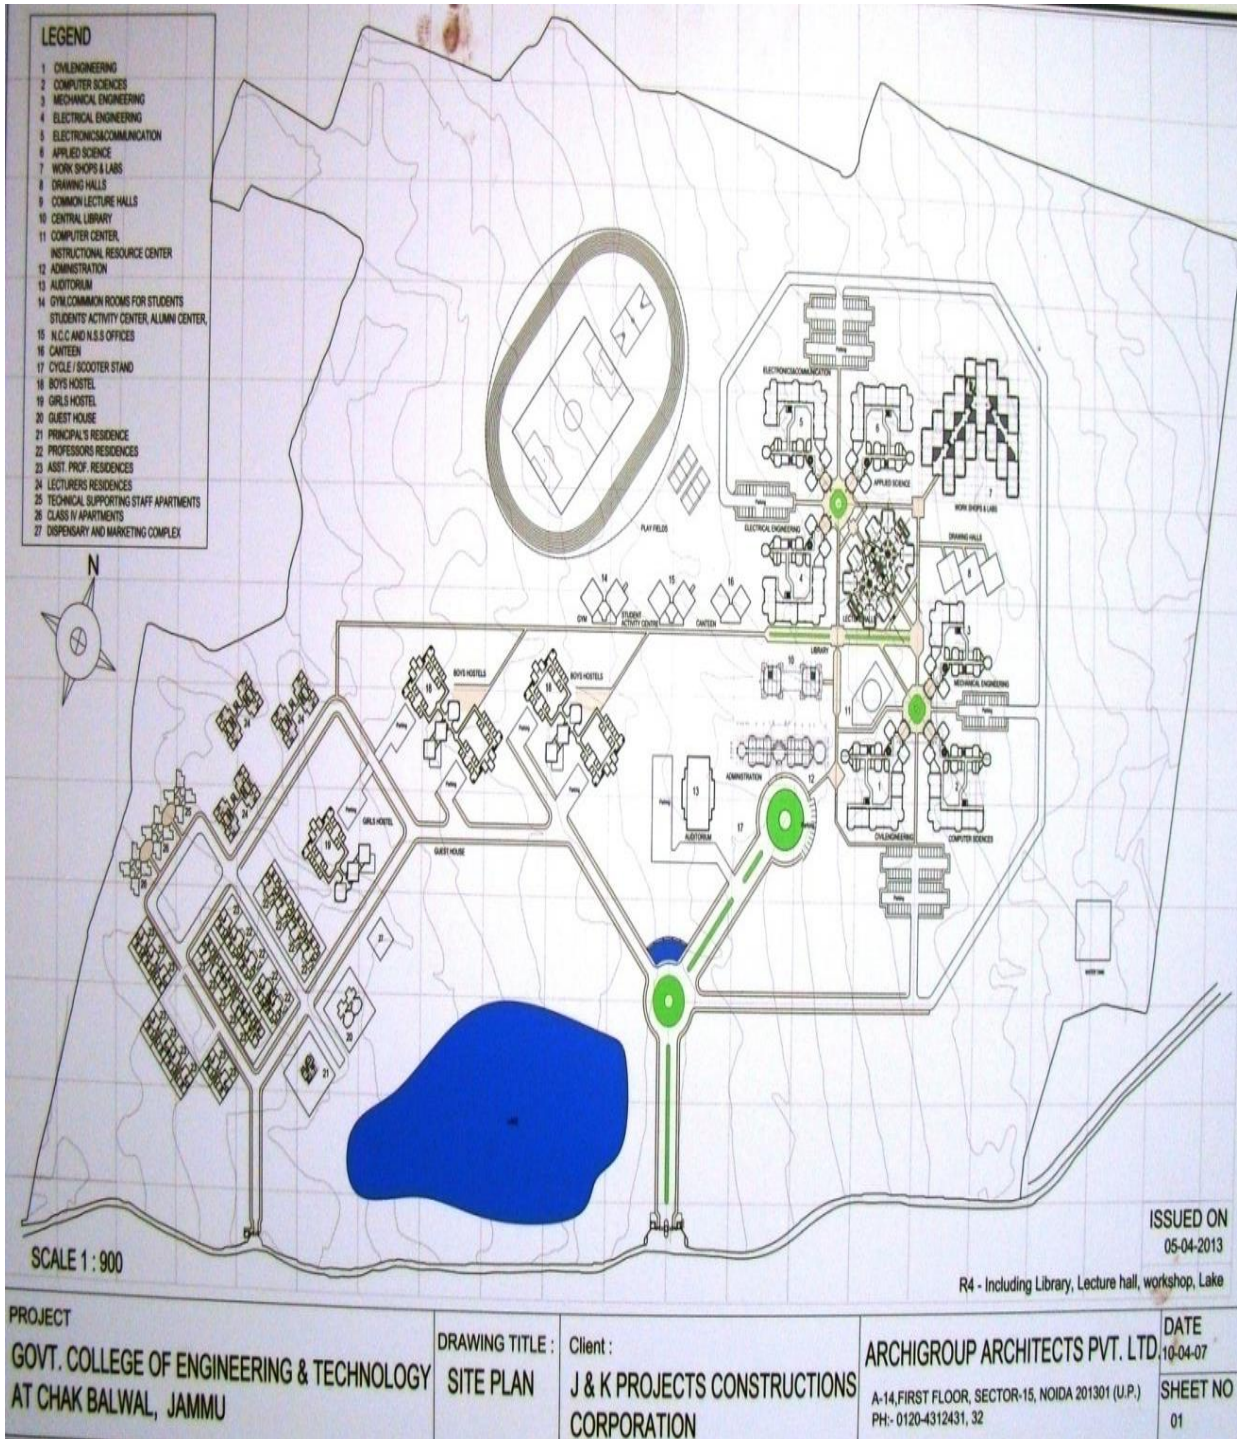

GCET stands by its core values, mission of churning out well-rounded individuals, chiselled, refined and thorough professionals.

I would like to place on record our sincere gratitude to the Higher Education Department, J&K Government for taking keen interest in the academic/developmental activities of the institute and also for providing continuous support.

INTRODUCTION

Government College of Engineering and Technology (GCET), Jammu was established by the Government of Jammu and Kashmir in 1993 with the approval of All India Council of Technical Education (AICTE) and is affiliated to the University of Jammu. It was created with the vision to provide valuable resources for industry and society through excellence in technical education and research. The campus is spread over 869 kanals of land at Jammu which is 22 km away from Jammu city.

The college is recognized by University Grants Commission under Section 2(f) and 12(b) of the UGC Act, 1956. The Institute has well designed State of Art infrastructure with highly equipped labs in various departments.

GCET Jammu has become the **first institution of UT of J&K to have all its five UG programs accredited by National Board of Accreditation (NBA)**. Recently, the college has been conferred **Autonomous status** vide UGC communication No. F.2-10/2023(AC-Policy) dated 03.10.2024 **from academic session 2024-25**.

The Institute offers UG (B.Tech.) Degree in five disciplines namely Electronics and Communication engineering, Electrical engineering, Computer Science & Engineering, Mechanical engineering and Civil Engineering with an intake capacity of 60 students per discipline and PG (M.Tech.) Degree in Computer Science & Engineering, Electronics & Communication Engineering and Mechanical Engineering. Besides, the Institute also offers Lateral Entry Scheme in B.Tech. 3rd Semester with 10% of the sanctioned intake capacity, supernumerary to the approved intake in each discipline of Engineering. Aside from imparting education to the students of UTs of J&K and Ladakh, the Institute is also actively offering Consultancy Services to various Government/Semi Government agencies such as PMGSY, CPWD, PDD, MES, PWD, ERA, Central University, IRKON, Konkan Railways, JDA etc. The Institute has availed Technical Education Quality Improvement (TEQIP-III), a World Bank aided project of MHRD, GOI with an aim to enhance the quality of technical education.

Training & Placement Cell of the Institute adopts proactive approach to train the students as per the needs and demands of the Job market. The Alumni of this Institution have excelled in various domains, positioned very well across the globe in innumerable MNC's, Government, Public and Private organizations within and outside India, thus bringing laurels to the Institute. Since 2017, the institute has been conducting Induction programme for the naive learners as a regular feature to enhance their creativity, boost confidence, regulate time management, cultivate leadership and interpersonal abilities amongst them.

Over the past thirty years, it has consistently served as an inspiration for emerging young engineers, guiding them to reshape their mind set and establish ecosystems that foster and nurture their innovative and entrepreneurial qualities. Furthermore, the Institute has effectively addressed practical challenges encountered by stakeholders across diverse engineering disciplines.

MEGA TECHNOLOGICAL EVENT

NATIONAL CONFERENCE AND EXHIBITION ON EMERGING AND INNOVATIVE TRENDS IN ENGINEERING TECHNOLOGY (NCEEITET-2025)

The Government College of Engineering and Technology (GCET) has been at the forefront of fostering collaboration between academia and industry through its annual National Conference and Exhibition on Emerging and Innovative Trends in Engineering Technology (NCEEITET), held in partnership with IIT Kharagpur since 2013. This flagship event serves as a dynamic platform bringing together a diverse community of academicians, technocrats, researchers, students, and industry professionals to engage in meaningful discussions and exchanges on the latest advancements in science and engineering. With its overarching goal to envision future trends in interdisciplinary domains, NCEEITET has become a catalyst for driving progress in science and technology.

10th NCEEITET was organized in collaboration with IIT Kharagpur, supported by IIT Roorkee and the Ministry of New and Renewable Energy (MNRE), Government of India. It explored various thrust areas such as IoT, Artificial Intelligence, Machine Learning, Semiconductor Technology, Smart Grids, and Advanced Communication Technologies. **The core thematic focus was Small Hydro Power Development (SHP).**

The event gave a common platform to academicians, technocrats, researchers, students, and industry leaders for exploring advancements in key engineering fields, including IoT, Artificial Intelligence, Machine Learning, Semiconductor Technology, Smart Grids, Advanced Communication Technologies, Sustainability, and more.

The conference featured a diverse array of sessions including paper presentations, invited talks, plenary discussions, keynote addresses, industry-student interactions, and a dedicated summit on startups and innovation. A dedicated session exposed the students and young researchers to real-world challenges, national-level policy frameworks, and cutting-edge innovations in the hydropower sector, inspiring them to make meaningful contributions to the region's energy future.

Additionally, the exhibitions, working models and business plans showcased emerging technologies and products from esteemed organizations, industries, PSUs/CPSUs like PGCIL, CVVPL, NHPC, NTPC, PTC, IEX, REC, PFC, JKPDC, JPDCL, J&K BANK, BSNL, INDIAN RAILWAYS, PATEL ENGG., VOITH, ANGELIQUE, BEE, TTK PRESTIGE, MAHATI, P&S BANK, V-GUARD, EESL, etc., thus bridging the gap between theoretical learning and practical implementation. The student delegates from prestigious engineering institutes across India presented their innovative projects and working models, fostering a spirit of creativity and collaboration.

The conference served as a springboard for policy insights, research collaboration, and youth engagement—paving the way for sustainable technological and economic development in Jammu & Kashmir. Further, collaboration with IIT Kharagpur focused on introducing student and faculty exchange programs, along with joint academic activities, providing opportunities for enhanced learning, broader exposure.

In conclusion, the collaborative efforts between academia, industry, and students embodied by NCEEITET are crucial for driving progress in science and technology, paving the way for a sustainable and innovative future.

TRAINING& PLACEMENT CELL

Training & Placement Cell of the Institute conducts career awareness programs and motivate the students to enhance their employability skills by organising Guest / expert lectures/seminars/workshops by the resource persons and eminent speakers from reputed organizations, institutions and industries which help students to get acquainted with the latest State of Art technologies/achievements/innovations and experimentation.

Industrial visits are also being arranged by the cell to provide the students an industrial interface exposure about the work culture of the industries.

The Training and Placement Cell comprises of the following committee members: -

S. No.	Name	Designation	
1.	Prof. (Dr.) Bhawna Sharma	Professor	Co-ordinator
2.	Dr. Ajay Abrol	Associate Professor	I/C T.P.O
3.	Er. Manoj Kumar Gupta	Associate Professor	Member
4.	Dr. Taban Qayoom	Assistant Professor	Member
5.	Er. Yawar Azad	Assistant Professor	Member
6.	Er. Rasmeet Kour	Assistant Professor (AA)	Member
7.	Er. Amit Pandoh	Lab. Supervisor	Member
8.	Er. Rajat Sharma	Sr. Lab Technician	Member
9.	Er. Karan Kapoor	Assistant instructor	Member

Objectives:

- Train students to develop their professional skills and knowledge through aptitude, group discussions, technical and HR interview skills for campus and pool drives.
- Career guidance on higher education (M.Tech/MBA) at National and International level and also awareness about GATE and multidisciplinary fields.
- Provide students with opportunities for Placements, Internships, Projects to gain industry experience.
- Organize Seminars, Workshops, Guest Lectures, Preplacement Talks, Trainings to equip students with necessary soft skills, technical skills and industry specific knowledge.
- Establish and maintain connections with Alumni to provide students with valuable insights and also serve as a bridge between students, Alumni and employment community.

List of companies visited the institute for providing placement opportunity to the students in the year 2024-25:

DEPARTMENT OF CIVIL ENGINEERING

VISION

To impart quality education in the field of Civil Engineering with perspective to make our students ethically strong engineers.

MISSION

- To make the Department a center of excellence in the field of Civil Engineering and allied research.
- To produce Civil Engineers of high caliber with appropriate technical skills to serve society and the Nation.
- To develop strong collaboration with Industry & Academia for the overall development of the Department.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

VISION

To produce “Creators of Innovative Technology “with excellent technical skills, leading on to become professionals with high ethical values; prepared for lifelong learning.”

MISSION

- To impart quality and value-based education.
- To gain research knowledge in the state of art technologies in Computer Science & Engineering through rigorous coursework.
- To develop the human potential so that the intellectually capable and creative technocrats can diversify into a range of professions

DEPARTMENT OF ELECTRICAL ENGINEERING

VISION

The vision of the Department is to guide and motivate students to achieve technical competency in the field of Engineering and to produce electrical engineers as professionals with full knowledge who can serve as a valuable resource for industry and society with continuous learning.

MISSION

- To provide students with a supportive environment for learning.
- To promote analytical aptitude with ability to think logically.
- To produce electrical engineers with due consideration of social and ethical values.
- To prepare engineers for the industrial development and economic growth of the country.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

VISION

The vision of Department is to produce competent technocrats, confident enough to face the challenges of the industry by motivating and bringing out their professional competence and entrepreneurship ability.

MISSION

- To produce qualified engineers who are competent in the field of electronics and communication engineering and able to meet the challenges of fast changing industry requirements at various levels.
- To promote analytical aptitude with ability to think logically and to nurture the spirit of innovation and creativity among faculty and students.
- To install creative thinking and inculcate passion for lifelong learning.

DEPARTMENT OF MECHANICAL ENGINEERING

VISION

The vision of this department is "Strive to thrive for quality man power who will contribute towards technological development in the field of mechanical engineering and socio-economy".

MISSION

- To emphasize on teaching learning process that will mould the students into competent engineers.
- To provide quality graduates to meet the needs of industry and society.
- To create centre of excellence to provide students with opportunities to strengthen their leadership and entrepreneurial skills.
- To provide opportunities to create, analyze, apply and disseminate knowledge.
- To prepare students for careers in different fields of advancement of mechanical engineering.

DEPARTMENT OF APPLIED CHEMISTRY

VISION

The vision of the department is to be a nationally recognized undergraduate chemical engineering program coupled with research strengths in process safety, process systems engineering, applied thermodynamics, polymers, mineral processing and biochemical engineering.

MISSION

- Provide a high-quality education experience that will prepare graduates to assume leadership positions within chemical and other associated industries.
- Foster and encourage the pursuit of new knowledge and innovative scholarship in chemical sciences and engineering.
- Advance a knowledge platform that empowers engineers to address and solve contemporary problems being faced by society and industry.

DEPARTMENT OF APPLIED PHYSICS

VISION

To develop organizational skills, core competence and inculcate ethics by providing a strong foundation in Applied Physics to the First Year Engineering students.

MISSION

- To impart basic concepts of Science to evolving engineers by igniting as well as nurturing the enthusiasm and Passion in the study of Physics as a part of the Professional Curricula.
- To inspire, Encourage and prepare the students to emerge as quality Engineers and Technocrats to meet the growing demands and challenges in the present global era.
- To evolve strategies towards performance and continual improvement of the department by raising the standards in teaching, research, innovation and implementation in Engineering Physics.

DEPARTMENT OF APPLIED MATHEMATICS

VISION

Department of Mathematics strives to be internationally recognized for academic excellence through the depth of its teaching and research, and to be locally relevant through its role in the development of the community it serves.

MISSION

- Making Engineers to develop mathematical thinking and applying it to solve complex engineering problems, designing mathematical modeling for systems involving global level technology.
- To inspire and empower the students to become innovative leaders, contribute to the success of organizations and betterment of communities.
- Develop critical thinking and problem solving skills, content knowledge, and the ability to communicate ideas effectively.

DEPARTMENT OF HUMANITIES

VISION

To be globally recognized institution of academic excellence in providing quality education in the field of economics management and related fields and as a centre of distinctiveness in research, innovation and entrepreneurship with an overall concern for better life environment and society.

MISSION

- Imparting knowledge and guidance required by the students for becoming better engineering professionals.
- Providing education for universal and value-based growth of students.
- Train their students with knowledge and skills which is required to excel in their professional careers and various aspects of life.

ACTIVITIES ORGANIZED BY VARIOUS DEPARTMENTS

- The students of **Civil Engineering Department** attended an exhibition on National Science Day-2025 (28-02-2025) at Survey of India, Nagrota, Jammu.
- On 25.05.2024, the Infomaniacs Club of CSE **Department** organized a Webinar on "Cybersecurity" by Mr. Shantanu Shubham, CodingNinjas.
- On 19.09.24, the Infomaniacs Club of **CSE Department** organized a seminar on "**The idiot brain: A child of Machine Learning**" by Prof. Parveen Kumar Lehana from the Department of Electronics, University of Jammu.
- On 13.11.2024, Ms. Reeya Rehan of 7th semester, **CSE Department**, participated in "**Inter-college Oral Presentation Competition**" on the theme '**Impact of Artificial Intelligence on the Society**' organized by Govt. College for Women Gandhi Nagar and bagged 1st position.
- On 06.04.2025, a team comprising of 05 students viz Mr. Abhishek, Mr. Anubhav Dubey, Mr. Trish, Mr. Sahil .Ahmed Khan & Mr. Parteek Dogra of **CSE Department** selected under 1000 team category for "**SBI College Youth Ideathon 2025**" at IIT Delhi.
- On the eve of World Internet Day (11.02.2025), the **Department of Mechanical Engineering** organized an Awareness Program on the theme "Safer Internet Usage", aimed to raise awareness among students and faculty about the importance of online security, the growing threats in cyberspace, and best practices for ensuring personal

and professional digital safety.

ACHIEVEMENTS / REWARDS

- On 02.03.2025, Young Minds (8th Semester) secured **1st position** in the **Smart Solution Exhibition 2025**, organized by board of Professional Activities, Shri Mata Vaishno Devi University, Katra.
- On 05.03.2025, the participants from the institute secured **2nd Position** in the **event Launch of Product in Manthan'25** organized by IMS, Jammu.
- Two students from 8th semester Mechanical Engineering have been placed as **AutoCAD designers at PIE Infocomm Pvt. Ltd. and Valvo-Eicher Group**
- **Taranpreet Singh, Mehreen Khan, Gurjinder Singh, Juhi Sharma and Aryan Gupta** students from 8th semester, Mechanical Engineering Department secured position as **AutoCAD designers at PIE Infocomm Pvt. Ltd.** Their expertise and dedication exemplify commitment to providing opportunities for professional growth and industry-relevant skill development, ensuring a bright future for our graduates in the field of design engineering.
- Abishek Banal and Nikhil Khatri, student of 8th semester Mechanical Engineering Department awarded first prize for title **Land mine detector using hand gesture** presented in the **9th National Conference & Exhibition on Emerging and Innovative Trends in Engineering Technology** organized by GCET, Jammu in collaboration with IIT Kharagpur.
- **Aryan Gupta, Nirbhay Sharma, Bhanu Partap Singh & Anushika** from Mechanical Engineering Department won second prize in **Innovative idea/ Business plan for title Disposal of Sanitary waste**, presented in the **9th National Conference & Exhibition on Emerging and Innovative Trends in Engineering Technology** organized by Govt. College of Engineering and Technology, Jammu
- Aryan Gupta, BhanuPartap Singh of 8th Sem. and Anushika of 6th sem of Mechanical Engineering Department received **Special Award** in the preliminary round of **YESIST12 2024** organised by IEEE student chapter of MIET, Jammu.

PARTICIPATION IN EVENT/WORKSHOP

- **Aryan Gupta and Bhanu Partap Singh** (8th semester), **Anushika and Avleen Kour** (6th semester) from Mechanical Engineering Department has presented their **Innovative idea in National Level “Startup Thrive”** organized by **ACIC RISE Association, Chandigarh Group of Colleges, Landran, Mohali in collaboration with Business Incubation Centre, IKGPTY**
- On the eve of International Women’s Day (11.03.2025), the **Department of Chemistry** organized Speech Competition. The event aimed to raise awareness about women empowerment, gender equality, and to recognize the significant contributions of women in the society. In the Speech Competition, **Toshi of ECE** got 1st prize, **Aarav Gutkar of Mechanical Engineering** got 2nd prize and **Sahil Sharma of ECE** stood 3rd in the competition.
- To commemorate International Women’s Day (10.03.2025), the **Department of Physics**, organized a speech and essay competitions. The event aimed to raise awareness about women empowerment, gender equality, and to recognize the significant contributions of women in science and society. The winners of the Speech Competition were **Aarav Gutkar** from Mechanical Engineering, **Gitanjali Sharma** from Civil Engineering and **Nabeel Aijaz** from Mechanical Engineering. The Winners of the Essay Competition were **Suvaini Mahajan** from Computer Science & Engineering, **Pragati Gupta** from Electronics & Communication Engineering and **Raghav Sharma** from Mechanical Engineering.
- On 02.05.2025, the **Department of Physics** organized **“Physics Quiz Competition”**. The event involved 25 students from different branches of B.Tech. 2nd Semester. The quiz was designed to test the quick thinking, teamwork and students' knowledge in application of physics in engineering and everyday life. The winning team was from E&C Department namely **Vabhav Sharma, Vishal Sharma, Puneet Kour, Manikrat Kour, and Sahil Sharma**.
- The **Department of Mathematics** organized the **Professor R. Balakrishnan Endowment Lectures** under the aegis of the Professor R. Balakrishnan Endowment Trust, Tiruchirapalli w.e.f 25-26th March 2025.

ADMISSION & GENERAL RULES

Selected candidates seeking admission in 1st Semester of 4 years B.Tech. Degree shall fill-up a printed application form available in the Institute.

Duly filled admission forms of all selected candidates shall be scrutinized by the Admission Committee constituted by the Institute on or before the notified date of admission by the BOPEE.

Selected candidates who do not deposit the requisite fee within the specified time in each list are liable to forfeit the right of admission and the seat will be referred to BOPEE for further filling-up from other eligible candidates as per merit list issued by BOPEE.

The candidates seeking admission must be accompanied by her/his father/mother/guardian at the time of admission as he/she shall have to sign the responsibility of his/her ward's conduct.

- No outsider is allowed to enter the Institute without a valid reason.
- Unlawful assembly of the students in the Institute is not allowed.
- Writing of graffiti on the walls or sticking of posters is a cognizable offence.
- Students resorting to unfair means in any examination are liable to be issued a bad Character Certificate.
- Students shall park their vehicles strictly in the parking lot earmarked for students.

ADMISSION TO B.TECH.. DEGREE COURSE UNDER LATERAL ENTRY SCHEME

Admission to B.Tech. Degree Course under Lateral Entry Scheme has been started since the year 2015. The candidates are directly admitted in B.Tech 3rd Semester in all the Engineering Institutes affiliated to University of Jammu, after fulfilling the due criteria laid down for counselling/admission by the concerned University. Total seats available are 10% of the sanctioned intake capacity of each stream of the Institute and are supernumerary to the approved intake.

ELIGIBILITY

- i. The candidate who has passed
 - (a) Three years Diploma in Engineering and Technology from AICTE Approved Institute with atleast 50% Marks (40% in case of candidates belonging to reserved categories.
 - (b) B.Sc (Non Medical) from a recognized University as defined by UGC with 50% (40% for SC/ST) marks in aggregate and passed 12th standard with Mathematics as a Subject. Further, the students belonging to B.Sc (Non Medical) shall be considered only after filling the supernumerary seats with students belonging to the Diploma Stream. However, such candidates shall have to pass the Engineering Mechanics, Engineering Graphics and Machine Drawing-I Courses of the B.Tech. Programme during their course of study.
- ii. Lateral Entry Engineering Test is conducted by University of Jammu, Jammu.

IDENTITY CARD

- i. Every student on being admitted shall be issued an Identity Card. He/She will have to carry it all times in his/her possession and shall produce on demand by any member of the Institute staff anywhere in the Institute premises.
- ii. The loss of Identity Card should be reported immediately.
- iii. A new Identity Card shall not be issued ordinarily. However, after proper verification/formalities, a duplicate identity card may be issued.
- iv. Identity Card must be returned after the completion of B.TECH. Degree.

CERTIFICATES

An outgoing student may obtain the following certificates from the Institute:

- Provisional Certificate
- Character Certificate
- Institute Leaving/Discharge Certificate (if the student leaves the Institute mid-way).
- Certificate of having appeared in the University Examination

Note:

- (a) Application for Certificate required should be submitted after completing all the formalities atleast three days in advance.
- (b) Certificate shall be issued only after the student produces a No Dues Certificate from all concerned Departments, Library, Security Officer etc. as mentioned in the prescribed form.

HOSTEL ACCOMMODATION

The GCET Boys Hostel, having a capacity of 200 students provides accommodation on merit basis. The students availing the hostel facility will be required to deposit the hostel fee and hostel mess charges in "Advance" for each semester as per details enlisted in the "Fee Structure". Further they have to follow the norms prescribed by the Institute for smooth functioning of the Hostel.

HOSTEL RULES AND REGULATIONS

Hostel accommodation is provided with the understanding that the resident student will strictly abide by the Hostel Rules currently in force or as may be enforced from time to time. **Accommodation in the Hostel cannot be claimed as a matter of right.** The Institute Administration may refuse accommodation to any student who is known to have grossly violated the Hostel Rules or whose presence is likely to disturb the peace and tranquillity of Hostel. Violation of Hostel Rules will make the student liable to disciplinary action including permanent expulsion from the Hostel. Students must remember that Hostel is the home of the student in the Campus and therefore, he should behave in the Campus as well as outside in such a manner as to bring credit to himself and to the institution. A student once admitted in the Hostel, will continue to be a hostel inmate throughout the year unless otherwise debarred from the Hostel on disciplinary grounds and he will have to pay the room rent for both the Semesters. Every student must be acquainted with all the rules and regulations of the Hostel. He must observe them strictly. Ignorance of rules will not be considered as an excuse.

- Every student should stay in the room allotted to him. Mutual exchange of rooms after final allotment is not allowed. However, Hostel Committee may allow this as a special case on valid and reasonable ground. Violation of this rule will be considered an act of gross misconduct and entail appropriate disciplinary action including expulsion from Hostel and imposition of heavy fine.
- Boarders must go through the Hostel Notice Board regularly. The Warden or any other authorized member of the institute staff can inspect the room of any student in the Hostel at any time. Hostel inmates are supposed to keep I-Cards with them and must present the same to any Hostel or Institute Authority whenever asked to do so. Students must always carry their Identity Cards with them.
- No boarder should see the Principal for ordinary matters. Warden of the Hostel is the right person for such matters. In next step they can approach the Convener of the Hostel Committee.
- All cases of illness should be reported to the Medical officer of the institute through the Warden or directly.
- No student should keep any fire-arms, lethal weapons, poisonous things or intoxicants of any kind in the Hostel. Students must not take law into their own hands, but must report all disputes to the Hostel Warden. All kinds of shouting, fighting, gambling, stealing, violet knocking, maltreating or abusing are strictly prohibited. In such cases offender will be handed over to Police immediately.
- The boarder shall have to vacate accommodation as and when asked by the authorities. All the boarders shall vacate the Hostel rooms before they leave for the summer vacations so that annual repairs and white wash is carried out. All the Hostel articles issued to the students are to be returned to the caretaker before the students leave their rooms. They will be responsible for any loss.
- No boarder is allowed to engage a private servant or keep pet animals.
- Students shall not remain absent from their Hostels during night hours without the prior permission of the Warden.
- Hostel students shall not leave the Campus without prior permission of the Warden. They shall have to apply in advance stating the reason for leaving and the address of destination. Hostel students who leave the Hostel without permission from the Warden shall be deemed to be missing and Parent/Guardian/Police authorities may be intimated in consultation with the Principal.

- The inmates of the Hostel will not leave the Hostel premises on holiday for the purpose of Excursion or picnic. Prior permission of the Warden has to be obtained for going for any Picnic or Excursion. However, for any eventuality that may occur during Picnic/Excursion., the responsibility does not lie with the Institute authority.
- Hostel inmates are supposed to take care of their health themselves. Student suffering from infectious disease has to leave for medical treatment to proper Clinic/Hospital or isolated place.
- Formation of association/club of students on the basis of regions, religions, caste or creed is not permitted during their stay in the Hostel.
- Room furniture and electric fittings are required to be maintained by the inmates in good condition. At the time of allotment of room and leaving the Hostel for the Summer Vacations, every student must take over and hand over, respectively, the Hostel property carefully. Students should vacate the Hostel during Summer Vacations.
- In case of damage to any part of the Hostel buildings, furniture, apparatus or other property of the Institute, caused by inmates of the Hostel, the loss shall be recovered from the persons identified as responsible for such damage. However, if the person causing damage cannot be identified, the cost of repairing the same as may be assessed will be distributed equally amongst all the inmates of the Hostel or group of inmates of the Hostel found responsible for the damage.
- Students should lock their rooms properly when they go out for bath, food etc. Each roommate must keep a key of the door lock of his room in case of double/triple seated accommodations.
- Every student residing in the Hostel must join the Mess. Individual cooking is not permitted. They are not allowed to cook anything in their rooms.
- Every inmate of the Hostel shall pay the Mess bill and other charges as per the notified schedule. The approved rules regarding Mess will be applicable to all inmates of the Hostel. Mess regulations shall be binding on the boarders of the Hostel. The regulations for Mess can be amended at any time even during mid-session for the smooth running of the Mess facility.
- Ragging in any form is a cognizable offence and severely punishable as per the Supreme Court directives leading to expulsion from the Hostel and the disciplinary action may culminate in his expulsion from the Institute as well. The

Institute administration may report incidents of ragging to the Police for taking appropriate action under the law.

- Penalty for violation of Hostel rules will be decided by the Hostel authorities considering the severity of the offence/violation of rules/act of indiscipline.
- Guests are not permitted to stay overnight in the room of the students. A boarder keeping a guest in his room is liable to be fined.
- Students are prohibited from giving shelter to any other student/outsider in the rooms. In case of any unauthorized shelter, the student will be liable to disciplinary action.
- Resident students are not permitted to invite any outside person to address any meeting in the Hostel without written permission of the Principal.
- Light must be switched off when not in use. The use of electric heater, electric rod, ACs and other similar appliances are prohibited. Boarders are warned against tampering with electric installation and for all electric repairs the electrician should be called in.
- Students in their own interest, are advised not to keep excess cash or any valuables in their Hostel rooms. They are cautioned to be very careful about safety of their belongings. They should close their rooms securely when they leave the room even for short periods or when they are sleeping. Institute shall not be responsible for the loss of such items due to theft or otherwise. However, in the case of theft, the matter should be immediately reported to the Warden and security officer of the Institute.
- Students are prohibited from consuming alcoholic drinks, drugs, cigarettes, tobacco products or any other intoxicants inside the Hostel or to enter the Hostel after consuming the same. Any student found consuming such things or in a drunken state in the Hostel will render himself liable for strict disciplinary action, including expulsion/ rustication from Hostel/Institute.
- Students are prohibited from screening/keeping obscene literature/ video films in the possession. Any violation in this regard will result in disciplinary action.
- Allotment of rooms to the students shall be made for an academic year.
- During the failure of power supply or outage the backup supply through the Generator Set will be provided from 08:00 p.m. to 10:00 p.m. During emergency/examination hours the duration of backup/Generator Set supply shall be changed as recommended by the Convener Hostel Committee from time to time. Any Hostel boarder found creating violation/nuisance during power

failure shall be liable for strict disciplinary action including expulsion/rustication from Hostel.

- In case of Wi-Fi/Internet failure within the Hostel premises, the Hostel inmates shall bring the matter to the notice of the Warden. The Warden will take up the matter with the concerned authority. If any Hostel inmate is found creating commotion for the same, strict disciplinary action shall be taken against the concerned person.
- Every student shall be responsible for the safety of furniture/other articles given to him. Furniture neither to be removed from the room nor carelessly kept outside the room. Anybody indulging in this practice will be liable to a fine Rs. 200 per article.
- Act of indiscipline misbehavior, gambling, violations of hostel rules, use of intoxicants in the hostel premises shall be liable to expulsion or a fine of Rs. 500 or both.
