

Registration Form

National Technical Conclave

(17th January, 2026)

ON

India Semiconductor Mission

(Opportunities, Skill Pathways, Startups, and Job-Oriented Prospects)

Organised by

Govt. College of Engineering & Technology, Jammu

Name :.....

Department :.....

Address of the Institution/Organisation :.....

.....

Address for Communication :.....

.....

Contact Number :.....

Email Address :.....

Signature of applicant :.....

National Technical Conclave

(17th January, 2026)

ON

India Semiconductor Mission

(Opportunities, Skill Pathways, Startups, and Job-Oriented Prospects)

Organised by

Govt. College of Engineering & Technology, Jammu

in Technical Collaboration with

Indian Institute of Technology, Kharagpur

In association with

Ministry of Electronics and IT (MeitY), GoI

&

Department of Industries and Commerce, J&K

Venue: GCET, Chak Bhalwal, Jammu

Contact: 0191-2958077, e-mail: ismgchet@gmail.com

GOVT. COLLEGE OF ENGINEERING & TECHNOLOGY(GCET), JAMMU

GCET Jammu, established in the year 1994 under the Department of Higher Education, Government of J&K, and affiliated with the University of Jammu, is an AICTE-approved institution with a vision to provide value-based education in technical education and research. The institute offers both UG and PG programs in various engineering streams and courses for industry and excellence. GCET has been conferred autonomous status and is the first institute in the UT of J&K to have all five UG programs accredited by the National Board of Accreditation (NBA). Its alumni have excelled globally in government, public sector, and private organizations. The institute also offers consultancy services to various government and semi-government agencies.

INDIAN INSTITUTE OF TECHNOLOGY(IIT), KHARAGPUR

The IIT Kharagpur is a premier public technical and research university established in 1951 and recognised as an Institute of National Importance by the Government of India. It is one of the oldest and most prestigious IITs in the country, offering a wide range of undergraduate, postgraduate, and doctoral programmes in engineering, sciences, management, law, and design, among others. IIT Kharagpur is known for its strong emphasis on research, innovation, and technology development, with numerous patents, industry collaborations, and entrepreneurial initiatives. The institute consistently ranks among the top technical institutions in India and globally, and it plays a significant role in shaping India’s technological and scientific workforce.

MINISTRY OF ELECTRONICS AND INFORMATION TECHNOLOGY (MeitY) , GoI

The Ministry of Electronics and Information Technology (MeitY), Government of India, is the nodal ministry responsible for promoting the electronics and IT ecosystem in the country, with a focus on manufacturing, research, innovation, skill development, and m technologies. The India Semiconductor Mission (ISM), launched under MeitY, is a flagship national initiative aimed at establishing a sustainable semiconductor and display manufacturing ecosystem in India. The mission focuses on promoting semiconductor fabrication, packaging and testing, design-led innovation, research and development, skill development, and startup enablement, thereby reducing import dependence and strengthening India’s technological self-reliance. ISM plays a pivotal role in aligning academia, research, & industry with national objectives for innovation-driven growth and employment generation.

DEPARTMENT OF INDUSTRIES AND COMMERCE, J&K

The Industries Department, Government of Jammu & Kashmir is responsible for promoting industrial growth and economic development across the Union Territory. It supports entrepreneurship, facilitates investment, and implements policies and incentive schemes to strengthen the industrial ecosystem, especially for Micro, Small and Medium Enterprises (MSMEs), while also developing infrastructure and creating employment opportunities.

ABOUT THE CONCLAVE

The National Technical Conclave is being organised to create comprehensive awareness about the India Semiconductor Mission (ISM) and the rapidly emerging opportunities in semiconductor design, fabrication, packaging, testing, research, skill development, startups, and employment generation. The conclave will provide a common platform for academia, researchers, industry experts, policymakers, and students to deliberate on capacity building, research and innovation, startup enablement, and workforce readiness in the semiconductor domain. The deliberations are expected to guide students, researchers, and young professionals towards industry-aligned skill pathways, research-oriented careers, innovation-driven entrepreneurship, and job-oriented prospects, while contributing to the long-term vision of developing a robust semiconductor ecosystem in the Union Territory of Jammu & Kashmir, in alignment with national priorities.

OBJECTIVES

- To create awareness about the India Semiconductor Mission (ISM) and national priorities
- To highlight career, employment, and research opportunities in semiconductor technologies
- To promote research, innovation, and technology development in semiconductor design, fabrication, testing, and allied domains
- To identify skill pathways and academic preparedness for stakeholders
- To encourage startup , incubation, and entrepreneurship in deep-tech areas
- To strengthen industry–academia–research collaboration for capacity building and workforce readiness

TARGET AUDIENCE/PARTICIPANTS

- The conclave is open to:
- Students, Research scholars and Academicians
 - Industry professionals
 - Innovators, entrepreneurs, and startup enthusiasts

REGISTRATION FEE

- **Industry Professionals** **Rs 2000/-**

IMPORTANT DATES

- **Registration Start Date** **10.01.2026**
- **Last Date of Registration** **16.01.2026**

REGISTRATION PROCEDURE

The registration form can be downloaded from the College website: www.gcetj.ac.in and the duly filled registration form may be sent by registered Post to the College address: The Registrar GCET, Chak Bhalwal, Jammu – 181122 (J&K), or through email at ismgcet@gmail.com before the last date.

ORGANIZING TEAM

- **Prof. Sameru Sharma** Principal/Director GCET Jammu
- **Prof. Subash Dubey** Department of ECE, GCET Jammu
- **Prof. Simmi Dutta** Head, Department of CSE, GCET Jammu
- **Sukriti Sharma (JKAS)** Registrar GCET Jammu
- **Dr. Ajay Abrol** Department of ECE, GCET Jammu
- **Dr. Shazia Rashid** Department of ECE, GCET Jammu

FOR QUERIES

- **Er Rasmeet Kour (9717411313)**
- **Er Ankita Sharma (8713049000)**

Email: ismgcet@gmail.com
